

## WHAT YOU CAN DO:

Talk to your program rights advisor. Maybe together you can find a simple solution to your complaint.

If that doesn't work, you can fill out a formal complaint. Your rights advisor has complaint forms.

After you give your complaint to your rights advisor, the complaint will be investigated. You will get a written answer to your complaint within 30 working days.

If you don't accept the written answer to your complaint, you have 15 working days to file an appeal to the regional rights consultant. Your rights advisor will provide you with appeal forms or you can send for one by writing to the address on the back of this brochure.

Within 30 working days, the regional rights consultant will give you a written answer to your appeal.

If you don't agree with the written answer to your appeal, you can file another appeal to the state rights coordinator.

## **YOUR RIGHTS**

We are dedicated to providing you with quality services. We also believe that as someone who is receiving services from our program, you should know your rights. You should know how to make a complaint if you believe any of your rights have been violated.

### **YOU HAVE THE RIGHT TO KNOW:**

- How much our services cost, and how much you must pay
- When violation of program rules could lead to your discharge
- All about any drugs that are used in your treatment
- If you, or information about you, will be used in any research or experiments

### **YOU HAVE THE RIGHT TO:**

- All civil rights guaranteed by state and federal law
- Suggest changes in our services
- Expect us to look into your complaints
- Help make up your own treatment plan
- Refuse our services and be told what will happen if you do
- Talk with your own doctor or lawyer
- Obtain a copy or summary of your client record unless the program director recommends otherwise

## **YOU HAVE THE RIGHT TO EXPECT THAT PROGRAM STAFF WILL NOT:**

- Abuse and neglect you
- Give out information about you without your permission
- Require you to be part of any research if you don't want to

### **AND:**

If you are in a hospital, halfway house, or other live-in setting, you have some additional rights.

All of these rights have some special limits. Check with your program rights advisor for further details. These additional rights include the right to:

- Know all the rules about having visitors
- Not be restrained - physically or by drugs, unless authorized by a physician
- Refuse to do work for us unless the work is part of your treatment plan
- Have space to put your personal belongings
- Keep your own money

If you want to know more about your rights, please read the recipient rights poster in the lobby or ask the program rights advisor for a more complete list of your rights.

## **YOUR RESPONSIBILITIES:**

- You are responsible for payment of your bill.
- You are responsible for knowing if your insurance company will pay for part or all of your bill.
- You are responsible for providing clear and accurate information about yourself.
- You are responsible for following rules of our program.
- You are responsible for being considerate of the rights of others who are recipients of services or our staff.
