

Michigan

Statewide Services

ARC Michigan

1-800-292-7851 <http://www.arcmi.org/>

The ARC Michigan mission is to assure that citizens with developmental disabilities are valued and that they and their families can participate fully in and contribute to the life of their community. Local ARC groups provide a variety of services including providing advocacy in the schools and in the work place. Call for the number of the group closest to you.

Citizens Alliance to Uphold Special Education (CAUSE)

1-800-221-9105 info@causeonline.org

CAUSE is a statewide non-profit coalition providing free information, referral, support, advocacy, and workshops to parents and professionals working with children with disabilities and special needs.

Michigan Protection and Advocacy Service

1-800-288-5923 www.mpas.org

Michigan Protection and Advocacy Service, Inc. (MPAS) is a statewide agency for persons with developmental disabilities. The organization's goal is to advance the dignity, equality, self-determination, and expressed choices of individuals. MPAS promotes, expands and protects the human and legal rights of people by providing them with information and advocacy.

Michigan Resource Center

1-800-626-4636 Out-of-State or Local Calls (517) 882-9955

info@michiganresourcecenter.org

The Michigan Resource Center provides information to the citizens of Michigan to promote traffic safety, alcohol, tobacco, and other drug prevention and treatment, and health awareness. Services include distribution of printed materials, a free loan video library containing over 200 titles, a free loan resource library including research journals for professionals, electronic information searches, and technical assistance to community groups and coalitions.

Project Perform

Parent Experience and Resources: Family Outreach and Referral Model

Michigan residents call: 1-800-552-4821 <http://www.wash.k12.mi.us/perform>

Project PERFORM provides information, a lending library, and one-on-one support to parents of children with special needs and professionals. Extensive information on FAS is available on loan and through the website.

Local Community FAS Projects

Michigan has 12 community projects that receive state funding to promote awareness and prevention of FAS including distribution of materials, provision of educational activities and/or training.
