

Mid-South Substance Abuse Commission  
Performance-Based Payable FSR Completion  
FY 2009/2010

The Payable FSR must be submitted at the same time as the September, 2009 FSR which is no later than **5 p.m., Monday, October 4, 2010 for Treatment and Thursday, October 7, 2010 for Prevention.** If you can complete and submit these reports sooner, it will be appreciated.

A payable FSR is completed when there are expenses that have been incurred during FY 2009/2010 but have not been paid for prior to September 30th. When reporting these expenditures, use the Estimated Payables FSR and indicate the expenditure under the **Current Period** column on the appropriate line item. Add the current period expense to the September 2010 **Agreement YTD** and subtract the YTD from the **Budget** to give you an ending estimated **Balance**.

Estimated Payable FSRs that are not completed as directed will be returned to be corrected. Should you have questions or need technical assistance when completing the form, please contact Jill Gawronski, Finance Assistant at 517 337-4406 ext. 115.
